National Docketing Association

Meet ERIN

EXPERIENCE:

Ms. Keavney has over 10 years of trademark and patent law docketing experience. She has worked in a variety of settings, such as mid-size law firms and as an integral part of the legal department of a Fortune 50 Company. In particular, her in-house experience has provided her with ample background and knowledge to manage a large active domestic and international trademark docket. She supervises new client intake and docket reports. Erin is responsible for managing all enforcement and complex international deadlines.

Erin has also served in supervisory and management roles at other companies as an Office Manager for a student loan origination company and Head of Human Capital Management for a staffing company.

INTERESTS:

Erin is a former college soccer player who still enjoys playing in an adult league. She also runs (and completed her first half marathon!) and plays billiards. She enjoys watching movies, spending time with her family and pet Whoodle named Sasha. You can also find her on the sidelines watching her daughter play competitive travel soccer (for which she is the team manager).
